

DISPENSING

SOAP & SANITIZER JUG PUMP

4 CC Output Ideal for Liquid and Gel

FEATURES

- 38/400 thread finish
- 4 CC output
- 11.25" tube length
- Twist lockable head
- Compatible with sanitizers, hand soaps, lotions, and much more

The pump has a 38/400 thread finish which is compatible with most gallon and half gallon jugs. Output is 4 CC of solution which is more ideal for liquid and gel hand sanitizers vs. a full one ounce pump.
