# Premium Multifold Hand Towel

**NEW**

Introducing the **NEW** Premium Multifold Hand Towel by Cascades PRO®. Made entirely from recycled fibers, it is our softest, strongest and most absorbent towel to date. Catering to any clientele that wishes to enhance their users' perception, such as a high-end restaurant, a local B&B, an upscale office building or a small health clinic, it will help deliver value and performance to distributors and users alike. It can also reduce paper waste as it requires less sheets for hand drying than with traditional multifold towels.

100% Recycled fiber	2-ply	Soft, premium feel	Strong with rapid absorption	Elegant leaf pattern	Made in USA*	Fits in most multifold towel dispensers	Green Seal certified
