

Stay ahead of cold & flu season.

Wipe, spray, and help protect your employees from viruses and bacteria.¹

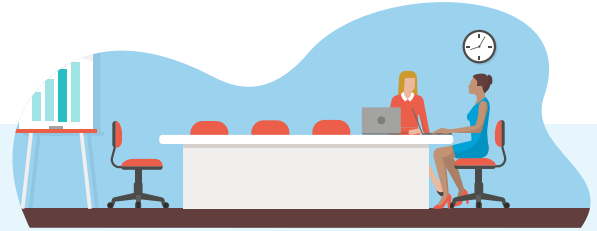

50%

of surfaces in shared spaces can be contaminated by a single sick person.²

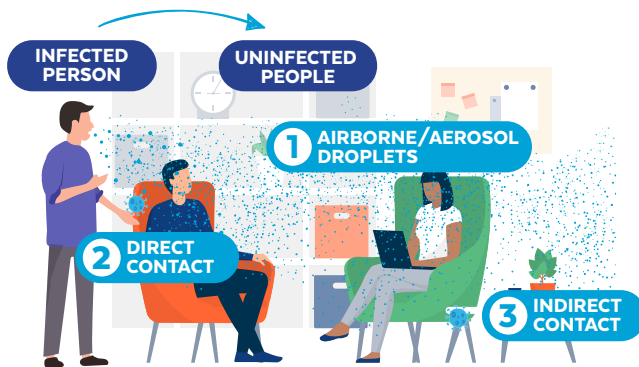

8.7 hrs

Lost work time on average for each cold an employee experiences.³

\$1,685/employee

The CDC's estimate of the cost employers face from lost productivity due to employee absences.⁴

Help break the chain of transmission with Lysol®.

HELPS PROTECT IN SECONDS⁵

Lysol® kills cold, flu, and respiratory viruses in 15 seconds.⁵ Help protect people and keep businesses running efficiently.

¹Lysol® Disinfectant Spray and Lysol® Disinfecting Wipes kill 99.9% of viruses and bacteria, when used as directed.
