This package is less than half full because Tide is so powerful, only a small amount is needed to clean one full washload. The package size must remain the same to dispense out of vending machines.

Cette boîte contient moins que la moitié de détergent, car Tide est si efficace qu'une petite quantité suffit pour laver une pleine brassée. Pour convenir aux distributeurs automatiques, le format de cette boîte ne peut être modifié.

Este paquete contiene menos de la mitad de detergente porque Tide es tan poderoso que con solo un poquito se puede lavar una carga completa. El tamaño del paquete no debe variar para que la máquina expendedora lo pueda suministrar.
