

OPPORTUNITIES IN MANUFACTURING

CLR PRO® Bio-Enzymatic DRAIN MAINTAINER

Prevents the accumulation
of fat, oil and grease to keep
drains flowing freely.

Available in 1, 5, and 55 Gallon.

FACILITIES MAINTENANCE

- ☐ Employee restroom drains throughout manufacturing facilities
- ☐ Cafeteria kitchen and food service area drainage
- ☐ Break room sink and floor drains
- ☐ Locker room and shower facility drainage
- ☐ Administrative office kitchen and restroom facilities

STEEL MILLS

- ☐ Employee cafeteria and dining facility drains
- ☐ Maintenance shop floor drains and parts washers
- ☐ Administrative building restroom drainage
- ☐ Training facility kitchen and restroom drains
- ☐ Visitor center food service area drains

PHARMACEUTICAL

- ☐ Employee cafeteria and dining facility drains
- ☐ Administrative building kitchen and restroom drainage
- ☐ Maintenance facility utility sinks and floor drains
- ☐ Training center kitchen and restroom facilities
- ☐ Visitor center food service drainage systems

INDUSTRIAL MANUFACTURING

- ☐ General manufacturing facility employee restroom drains
- ☐ Plant cafeteria kitchen and service area drainage
- ☐ Maintenance department utility sink and floor drains
- ☐ Quality control laboratory facility drains
- ☐ Administrative office break room and kitchen drains

OPPORTUNITIES IN **MANUFACTURING**

PULP & PAPER

- ❑ Mill cafeteria kitchen and food service drains
- ❑ Employee locker room and shower facility drainage
- ❑ Administrative building restroom and kitchen facilities
- ❑ Maintenance shop floor drains and parts washers
- ❑ Training center kitchen and restroom drainage

CHEMICAL PROCESSING

- ❑ Employee break room and kitchen facility drains
- ❑ Administrative building restroom and kitchen drainage
- ❑ Maintenance shop utility sinks and floor drains
- ❑ Training facility restroom and kitchen drains
- ❑ Security checkpoint restroom facilities

MACHINE SHOPS

- ❑ Parts washer drain maintenance - prevents buildup of oils and cutting fluid residue in wash station drains
