

4 Cup Pulp Carriers

For On-The-Go Convenience, 4 Cups at a Time!

Empress Pulp Fiber Cup Carriers are the eco-conscious choice for your beverage transportation needs.

Made from 100% recycled molded pulp fiber, these carriers are completely biodegradable, compostable, and recyclable in select locations.

features & benefits:

- Biodegradable and Compostable: These carriers are made from recycled materials that decompose naturally, keeping waste out of landfills.
- Recyclable: Check locally for availability.
- Durable: Despite being made from paper pulp, these carriers are surprisingly strong and can hold multiple drinks securely.
- Lightweight and Stackable: They are lightweight and easy to store, taking up minimal space.
- Best suited for 8-32 oz. cups.
- PFAS-Free.
