

Food/Soup Containers

Good To-Go Hot or Cold

Empress double-sided polyethylene white paper containers work for both hot and cold foods, from soups to frozen desserts. Their vented paper and clear plastic lids fit securely to maintain temperature, keep food fresh, and prevent spills during transport.

features:

- PFAS Free
- Double-sided polyethylene coating prevents leaking and moisture penetration.
- Dual Lid Options: Includes both vented paper lids (ideal for releasing steam from hot foods) and clear plastic lids (perfect for visibility and cold storage).
