

FOOD SERVICE

Safe and fast-acting cleaning solutions for food service

Safe, effective, and easy-to-use cleaning solutions for food service

Restaurants, commercial kitchens, and foodservice manufacturing all require high standards for hygiene and safety. The CLR PRO® NSF Registered line of cleaning products not only meet those high standards but also assures consistency with USDA guidelines for non-food and compliance with Global Food Safety Initiative Standards. And the icing on the cake? Many of our products are certified EPA Safer Choice, which helps create a safer, healthier environment for all staff.

- **Easy to use:** Ready-to-use or ready-to-dilute formulas based on the needs of the facility.
- **Proven Effective.** The formulations of CLR PRO® line of products have a 50-year track record of top-performing cleaning power, from removing stubborn stains to everyday cleaning.
- **Cleans all areas.** Reduce the number of chemicals on-site with multi-surface and multi-application cleaners. From dishwashers, coffeepots, faucets, to grease traps and drains, CLR PRO® has ready-to-use solutions to clean all areas of your food service business.
- **Safe ingredients.** Cleaning staff are particularly susceptible to health problems from frequent exposure to toxic cleaning chemicals. Many CLR PRO® products contain no harsh chemicals, like ammonia, phosphates, or alcohol. And are non-abrasive, and have little-to-no VOCs.
- **Supports sustainability goals:** Many of the CLR PRO® products carry the EPA Safer Choice label, which helps meet LEED standards.

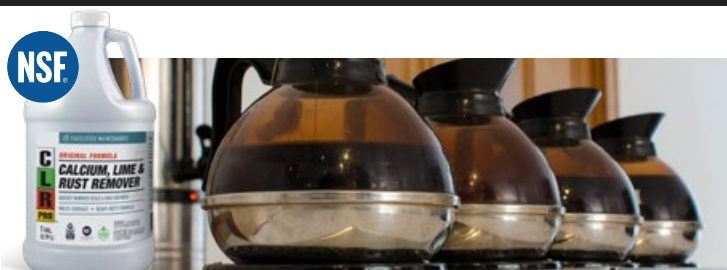

PROVIDING THE SAFETY YOU NEED

- EPA Safer Choice—no harsh ingredients, safe on drains and septic systems.
- Jelmar LLC, the makers of CLR PRO® products, has been awarded the Environmental Protection Agency's "Partner of the Year" for Safer Chemistry since 2015.

CLR PRO Additional Applications

CLR PRO® Calcium, Lime & Rust Remover

Removes scale and rust in dishwashers, coffeepots, sinks, and glassware.

Size	Stock #
32 oz.	FM-CLR32-6PRO
42 oz.	FM-CLR42-4PRO
1 Gal.	FM-CLR128-4PRO
5 Gal.	FM-CLR-5PRO
55 Gal.	FM-CLR-55PRO

- EPA Safer Choice
- USDA BioPreferred
- NSF Registered

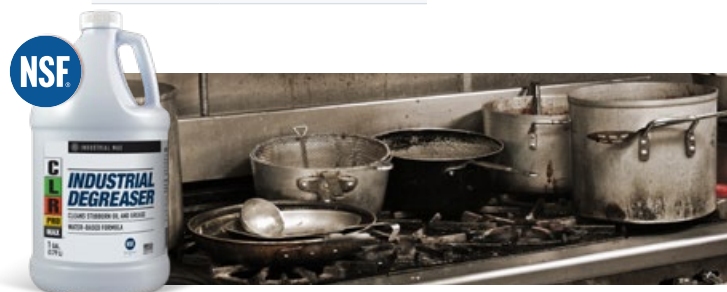

CLR PRO® Bio-Enzymatic Drain Maintainer

Live microbial formula prevents the accumulation of fat, oil, and grease in drain lines, grease traps, kitchen sinks, and garbage disposals.

Size	Stock #
1 Gal.	FM-BEDM128-4PRO
5 Gal.	FM-BEDM-5PRO
55 Gal.	FM-BEDM-55PRO

- No harmful byproducts
- Promotes efficient waste water treatment
- EPA Safer Choice
- NSF Registered

CLR PRO MAX® Industrial Degreaser

Powerful multi-purpose degreaser cuts through oil, grease, and built-up grime.

Size	Stock #
32 oz.	I-IDEGR32-6PROM
1 Gal.	I-IDEGR128-4PROM
5 Gal.	I-IDEGR-5PROM
55 Gal.	I-IDEGR-55PROM
275 Gal.	I-IDEGR-275PROM

- Water-Based formula
- Non-Corrosive
- NSF Registered

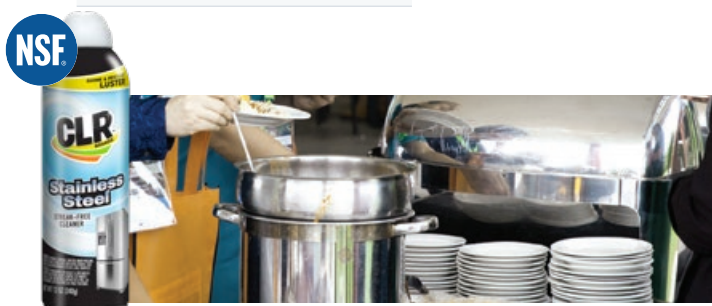

CLR PRO® Commercial Probiotic Cleaner

Removes tough soils and provides three days of cleaning power.

Size	Stock #
32 oz.	FM-CPC32-6PRO

- Probiotics remain on the surface for up to 3 days
- 86% bio-based ingredients
- Lemon-scented
- NSF Registered

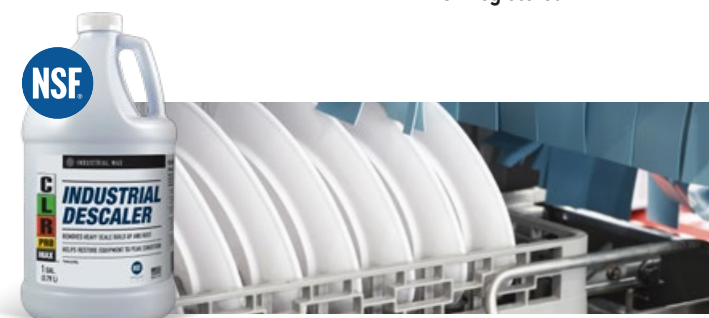

CLR Brands® Stainless Steel

One-step, ready-to-use powerful foaming action removes dirt, residue, and fingerprints from stainless steel.

Size	Stock #
12 oz. aerosol can	CSS-12

- Won't streak or run
- Water-Based formula
- NSF Registered

CLR PRO MAX® Industrial Descaler

Effectively dissolves & eliminates heavy buildup like scale & rust, helping to increase operational efficiency & prolong lifespan of machinery.

Size	Stock #
1 Gal.	I-IDESC128-4PRO

- Commercial dishwashing machines, ice machines
- Sinks, toilets, urinals
- Cooling towers, heat exchangers
