

Solopol® GFX™ Dispenser

PRODUCT DESCRIPTION

Unique, patented 3.25 liter cartridge dispenser that meets the distinct needs of any workplace.

WHERE TO USE

For exclusive use with Solopol® GFX™ cartridges to create tailored skin protection and hand hygiene programs.

METHOD OF USE

Large push buttons dispense a controlled dose of product appropriate for the application required. Empty cartridges are easily replaced in seconds.

FEATURES	BENEFITS
Patented Technology; Robust and Long-Life	Dispensers are guaranteed against normal wear and tear, subject to correct installation, usage and dispenser care. Manual dispensers are warranted for their lifetime. Warranty applies only in the USA and to dispensers exclusively using SC Johnson Professional products. Other terms and conditions apply: warranty.scjp.com.
Spare Parts Available	In case of vandalism or accidental damage, spare parts can be provided allowing for repairs without having to take the dispenser off the wall.
BioCote® Protected 	Biocote silver ion technology effectively reduces bacteria, mold and fungi on the surface of Biocote® treated SC Johnson Professional® dispenser buttons within as little as 2 hours and achieves up to 99.99% reduction over a 24 hour period**. Biocote® maintains its antimicrobial protection for the lifetime of the dispenser button and will not wear off, wash off or leach out. Biocote® technology is not a substitute for good hand hygiene practices.
Fixed Product Dose with One Full Firm Activation	Delivers the exact amount required, controlling usage and reducing waste. Discourages unnecessary 'jabbing' and product overuse.
Hygienic, Airless Cartridges	The ultrasonically sealed cartridge and pump mechanisms prevent the ingress of air into the cartridge during use to help prevent product contamination and ensure 'fresh' product is dispensed every time.
Color Coding	Color coded push button to match SC Johnson Professional's heavy duty line of hand cleaners.
Usage Illustrations	Simple to understand and language neutral to show best practice method of use; ideal for multinational workforces.
Large Push Button	Allows easy use by hand or elbow; suitable in hygiene sensitive areas.
Unique Locking Mechanism	Helps prevent unauthorized access, pilferage and product contamination.
Sight Glass	Indicates the level of product in the cartridge which helps identify when product needs replacing.
Simple Cartridge Replacement	Designed for exclusive use with Solopol® GFX™ cartridges to be replaced in seconds, reducing maintenance time and cost.
No Wastage	The air-tight cartridges are designed to collapse during use, ensuring full evacuation of product with no wastage.

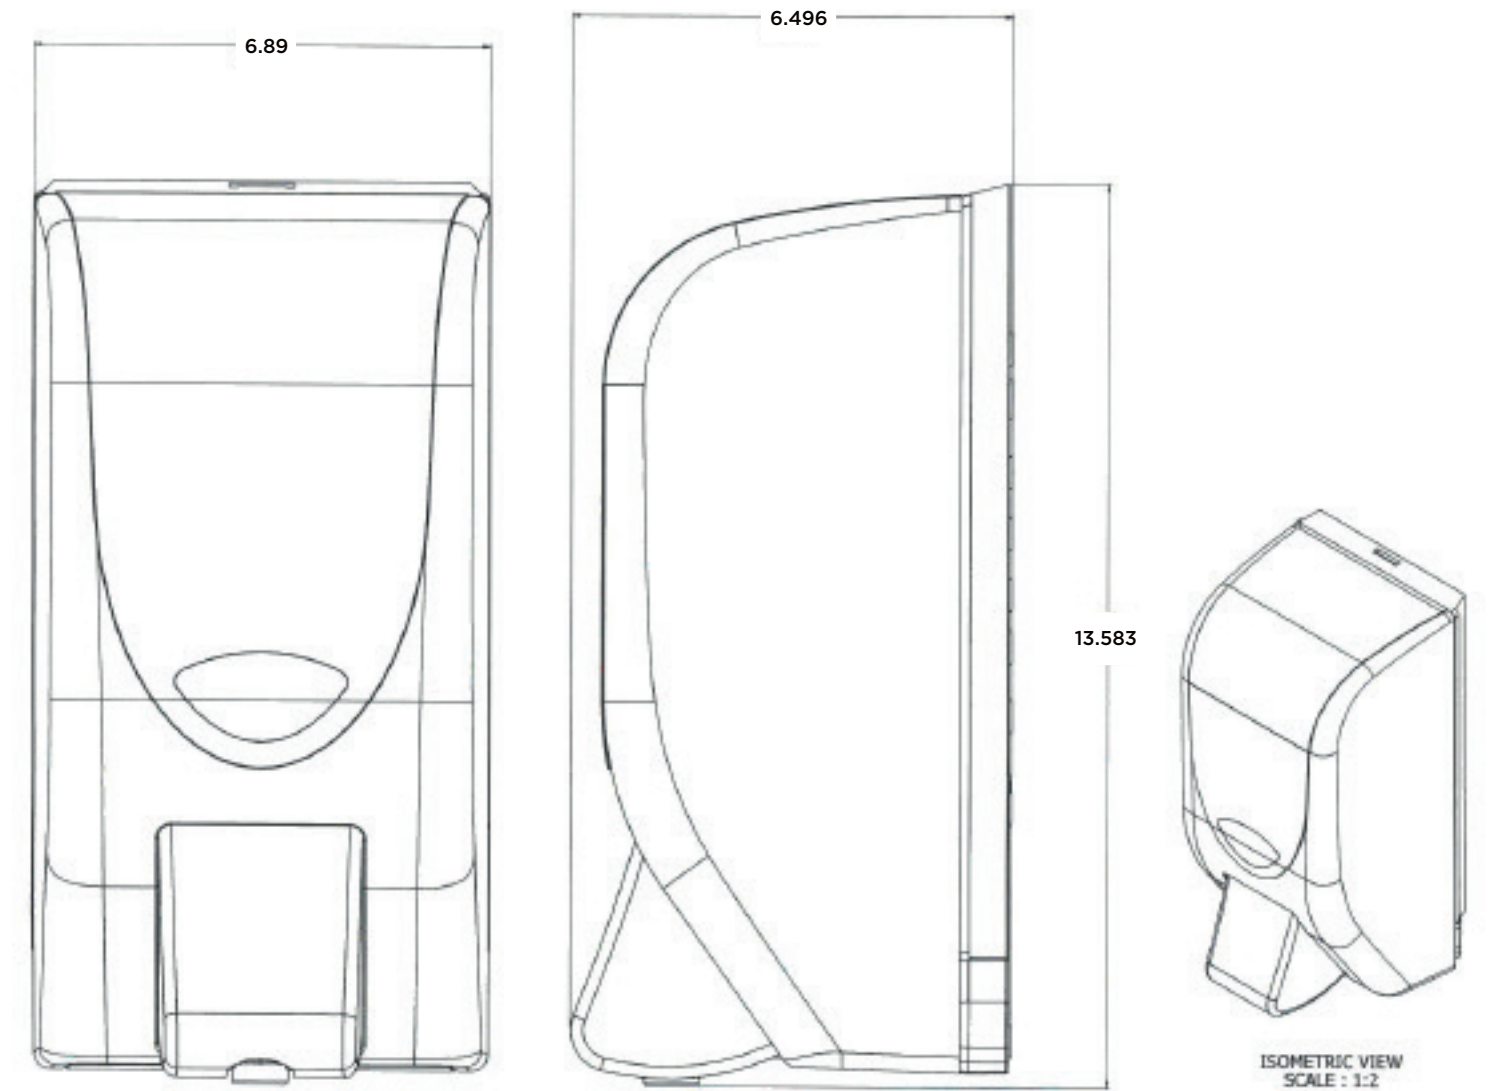

Solopol® GFX™ Dispenser

LIFETIME WARRANTY

SC Johnson Professional® workplace manual dispensers are warranted for their lifetime to be free from defects in materials and workmanship under normal use or the original purchasing end customer may be eligible to receive a free replacement dispenser or part(s). Warranty applies only to dispensers installed in the end customer's facility that are exclusively using SC Johnson Professional products. Warranty does not cover dispensers purchased from unauthorized distributors. End customers must register the dispensers. Other terms and conditions apply and eligibility is subject to verification. For the full terms and conditions visit warranty.scjp.com.

Warranty provided by SC Johnson Professional USA, Inc. ("SCJP"), 2815 Coliseum Centre Dr. #600, Charlotte, NC 28217, United States of America. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Our liability shall not exceed the actual amount paid for the dispenser. We shall not be liable for any consequential, incidental, special, or punitive damages. End customers are deemed to have accepted the above warranty and limitation of liability. They cannot be changed verbally or in writing, except in a written agreement signed by SCJP.
