SANITIZE | WASH | PREPARE | RESTORE

As part of a family company at work for a better world™, we aim to help facilities maintain a safe healthcare environment and protect both patients and workers.

After a century of making quality products that work, we have assembled a professional healthcare portfolio that is technology driven, solutions focused, and trusted by hospitals. Our mission is to provide an ecosystem of technology, skin care, and cleaning products and resources to help healthcare facilities implement infection prevention and control programs designed to promote safety, reduce healthcare associated infections, slow the spread of infectious disease, and reduce costs while improving quality.

Alcare® Extra Hand Sanitizer

Highly efficacious 80% Alcohol Based Foaming Hand Sanitizer

WHERE TO USE:

Ideal for use in all healthcare settings where a highly effective and moisturizing sanitizer is needed.

- Clinically Proven Formula - Tested in accordance with FDA clinical methods for Healthcare Personnel Handwash
- Effective against select Multi Drug Resistant Organisms (MDROS) - Demonstrated MDRO antimicrobial efficacy by killing 99.9999% of Acienobacter baumannii, CRE, MRSA, and VRE in 5 seconds
- Invisi-Feel™ Leaves hands feeling clean - there is no sticky after-feel left on the hands, even in high-frequency healthcare environments

SC Johnson Professionals line of floor care products and dispensing systems are designed to improve the way maintenance professionals work. The EZ Care and multi-surface floor care systems are engineered to help simplify and enhance the user experience, these systems seamlessly integrate into existing workflows and require minimal training.

A REVOLUTION IN COMMERCIAL FLOOR CARE

simply install > maintain > remove

EZ CARE Floor Care System

Revolutionary floor care system eliminates the need for conventional stripping.

EZ Care is an integrated floor care system that allows you to achieve a durable, high-gloss finish with no more than 4 coats. The proprietary polymer-blend EZ Care Floor Coating can be easily removed using the EZ Care Floor Coating Remover and an auto scrubber.

Simply: Install. Maintain. Remove.

No intentionally added PFAS*

Multi-Surface Floor Care System

The Multi-Surface Floor Care System is a simple 3 product system designed to integrate seamlessly with existing floor care programs.

This high performance system is compatible with multiple substrates, delivering long-lasting shine and durability while simplifying maintenance and inventory management.

No intentionally added PFAS*

TruFill® Dispensing System

Take dilution dispensing off the wall with the TruFill® Dispensing System.

Carpet

A complete line of carpet care products designed to keep carpets, rugs and floor coverings in public spaces looking their best and leaving a clean, fresh scent.

EZ CARE Floor Coating

Highly repairable finish provides excellent resistance to scuffs, black heel marks and embedded dirt

- Suitable for a variety of substrates
- Only 4 coats to achieve a durable high gloss appearance even in high traffic areas
- Does not contain intentionally added PFAS* or phthalates.

*PFAS are perfluoroalkyl and polyfluoroalkyl substances, which are a class of fluorinated organic chemicals containing at least one fully fluorinated carbon atom.

EZ CARE High Speed Conditioning and Polish Pad

Proprietary pad technology prepares the floor for application of finish resulting in a high gloss shine

- Smooths and conditions the floor prior to finish application
- Contributes to a durable high-gloss shine with fewer coats
- Improves the condition and appearance of the floor over time
- Available in two common sizes: 20" and 27"
- Up to 25,000 sq. ft. per pad

EZ CARE Floor Coating Remover

Groundbreaking cleaner technology compatible with an auto scrubber.

- Easily liquifies EZ CARE Floor Coating for safe, fast removal of up to 4 coats in one pass
- Eliminates conventional manual stripping
- Increases productivity, slashing the time and labor needed for a full removal and recoat
- May be used as an alkaline cleaner on uncoated floors such as non-decorated concrete, quarry tile, unglazed ceramic natural stone, rubber, brick and slate
