FOAM SOAPS

1 LITER MANUAL FOAM SOAP & SANITIZER DISPENSERS

Our unique range of manual 1 liter sealed cartridge dispensers are BioCote® Protected*, guaranteed for life and help create efficiencies in facilities.

A silver ion-based antimicrobial agent that is incorporated into plastic components at the time of manufacture and inhibits the growth of a broad spectrum of bacteria and molds. BioCote® will not wear out or rub off and is effective for the lifetime of the dispenser button.

BATTERY FREE

Our manual dispensers are battery free, reducing the risk of landfill contamination

COST SAVINGS

No tedious and expensive batteries to replace and maintain

DEPENDABLE

Our dispensers are guaranteed for life, reliable and worry-free

CUSTOMIZABLE

Large, customizable print area on soap or sanitizer dispenser

VISIBILITY

The clear sides allow you to see the product level from any distance or angle

HYGIENICALLY SEALED

Hygienically sealed cartridges prevent product contamination as compared to refillable dispensers.

BioCote® Protected*

Biocote® silver ion-based technology effectively reduces bacteria, mold and fungi on the surface of Biocote® treated SC Johnson Professional® dispenser buttons within as little as 2 hours and achieves up to 99.99% reduction over a 24 hour period**. Biocote® maintains its antimicrobial protection for the lifetime of the dispenser button and will not wear off, wash off or leach out. Biocote® technology is not a substitute for good hand hygiene practices.

Guaranteed for Life

Manual dispensers are warranted for their lifetime. Warranty applies only in the USA and to dispensers exclusively using SC Johnson Professional® products. Other terms and conditions apply: warranty.scjp.com

* BioCote® is a registered trademark of Biocote Limited
 ** Efficacy is independently validated by ISO methods
