RECHARGEABLE SANITIZER Indicator Towels

- Using our patent-pending ColorCheck Technology™, Sertun towels give you complete assurance that you are truly sanitizing hard surfaces!
- As the towel deploys Quat, the color changes from blue to yellow, indicating there is not sufficient sanitizer in the towel.
- By placing the towel back into your sanitizer solution, the towel recharges, and turns blue again. When the towel does not turn blue, it's time to change the sanitizer solution.
