

Industrial

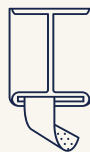

Did you know?

On average, North American industrial workers washed their hands **3 to 4 times per day** while at work in 2022.*

Drying hands with towels is **4 times faster** than with a hand dryer.**

73% of respondents prefer a paper towel to dry their hands in public restrooms (versus 23% for air dryers).***

Wipers can provide **lower cost-in-use** compared to rental rags and improve efficiency using fewer wipers to complete the job.****
