Next Generation LoCor® Jumbo Twin Bath Tissue Dispenser

The Next Generation LoCor® jumbo twin bath tissue dispenser is a high-capacity dispensing system that reduces labor costs through fewer roll replacements. Its modern design upgrades the appearance of any washroom while maximizing efficiency and delivering cost savings.

- Sleek and modern dispensing cabinet design
- Extra high 2400' of 2-ply capacity to reduce labor cost and avoid run out
- Bottom sliding door for reserve roll access reduces waste
- Translucent side panels for monitoring paper levels
- Available in matte black, matte gray and stainless finishes
- Meets ADA Guidelines (when installed according to ADA dispenser installation guidelines)
