

OPPORTUNITIES IN LARGE VENUE

CLR PRO MAX® INDUSTRIAL DEGREASER

Effectively penetrates and
dissolves heavy grease,
oil, and grime.

Available in 32oz, 1, 5, 55, and 275 Gallons

CONVENTION CENTERS

- ☐ Commercial kitchen equipment - removes cooking grease from large-scale catering operation equipment exteriors
- ☐ Exhibit hall floor cleaning - tackles tracked oils and environmental contaminants in high-traffic areas
- ☐ Loading dock maintenance - addresses hydraulic fluid spills and delivery vehicle oils
- ☐ Kitchen hood and ventilation systems - eliminates grease buildup in food service exhaust systems
- ☐ Custodial equipment cleaning - removes buildup from floor scrubbers, buffers, and cleaning machinery
- ☐ Meeting room service areas - eliminates grease and sticky residues
- ☐ Parking garage maintenance - addresses automotive fluid leaks and oil stains
- ☐ Maintenance workshop areas - removes oils from tools and equipment storage spaces

SPORTS ARENAS

- ☐ Locker room maintenance equipment - cleans oils from laundry machines and equipment
- ☐ Concession kitchen equipment - tackles cooking grease from high-volume food service operations
- ☐ Ice rink maintenance - cleans Zamboni equipment and machinery oils
- ☐ Pool deck equipment areas - removes sunscreen oils and equipment lubricants
- ☐ Stadium seats - eliminates sticky residue from spilled drinks and food on seating surfaces
- ☐ Maintenance bay floors - handles automotive fluids and equipment oils
- ☐ HVAC component cleaning - removes oily buildup from mechanical room equipment

OPPORTUNITIES IN LARGE VENUE

THEME PARKS & AMUSEMENT PARKS

- ☐ Park-wide food service equipment - removes cooking grease from multiple restaurant and concession locations
- ☐ Kitchen hood systems throughout park - eliminates grease buildup in numerous food venue ventilation systems
- ☐ Ride maintenance equipment - cleans lubricants and oils from mechanical workshop areas
- ☐ Maintenance vehicle cleaning - removes oils from park transportation and service vehicles
- ☐ Parts washer solutions - cleans ride components and maintenance equipment
- ☐ Parking lot maintenance equipment - addresses oils from street sweepers and cleaning machinery

STADIUMS

- ☐ Concession stand equipment exteriors - removes cooking grease from fryers, grills, and food service equipment housings
- ☐ Kitchen hood and exhaust systems - tackles heavy grease buildup in commercial kitchen ventilation
- ☐ Stadium kitchen floors - eliminates slippery grease buildup in high-volume food preparation areas
- ☐ Suite-level kitchen maintenance - cleans grease from premium seating food service areas
- ☐ Loading dock areas - addresses delivery truck oils and food service spills
- ☐ Equipment room maintenance - removes oils from HVAC components and mechanical systems
- ☐ Parking structure floors - tackles automotive fluid leaks and oil stains
- ☐ Maintenance shop equipment - cleans tools, parts washers, and repair equipment
- ☐ Floor scrubber solution - creates effective cleaning systems for removing embedded oils throughout facility
- ☐ Trash compactor areas - eliminates grease and sticky residues from waste management zones
