

DEGREASING OPPORTUNITIES IN

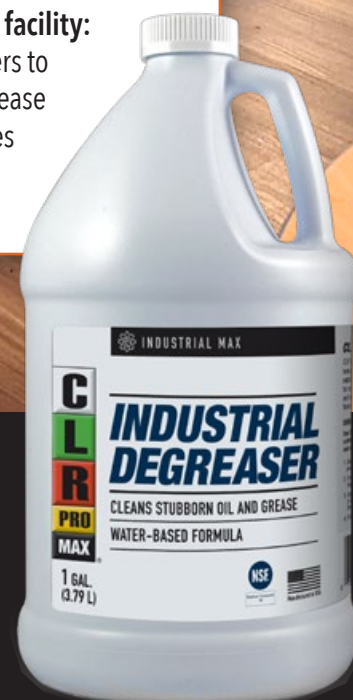

HEALTHCARE

- ☐ **Medical equipment maintenance:** Removes lubricants and oils from movable parts of beds, gurneys, and wheelchair mechanisms
- ☐ **Kitchen and cafeteria hood systems:** Tackles built-up cooking grease in healthcare food service areas
- ☐ **Automated door mechanisms:** Ensures reliable operation by removing grime and lubricant buildup in high-traffic entryways and department doors
- ☐ **Generator and backup power system cleaning:** Addresses oil buildup on critical emergency equipment
- ☐ **Elevator shaft and mechanical components:** Removes accumulated grease, oil and debris from guide rails and mechanical elements to ensure smooth operation
- ☐ **Loading dock and waste management areas:** Tackles spills and environmental oils in high-traffic zones
- ☐ **Parking garage floor maintenance:** Addresses automotive fluid leaks and tracked-in contaminants
- ☐ **Mechanical room equipment cleaning:** Effectively removes grease and oils from pumps, compressors, and other non-medical equipment
- ☐ **Facility maintenance equipment cleaning:** Keeps floor scrubbers, buffers, and other equipment operating efficiently
- ☐ **Floor cleaning throughout facility:** Can be used in floor scrubbers to remove buildup, oils, and grease from various flooring surfaces (*not for disinfecting*)

CLR PRO MAX® INDUSTRIAL DEGREASER

Effectively penetrates and dissolves heavy grease, oil, and grime, saving time and effort on degreasing jobs.

Available in 32oz, 1, 5, 55, and 275 Gallons

DESCALING OPPORTUNITIES IN

HEALTHCARE

- ☐ **Boiler descaling:** Removes mineral buildup in facility heating systems without harmful fumes or corrosive damage to surrounding equipment
- ☐ **Cooling tower maintenance:** Eliminates scale buildup that reduces efficiency and increases energy costs
- ☐ **Water heater descaling:** Extends equipment life by removing calcium and mineral deposits
- ☐ **Heat exchanger maintenance:** Safely removes scale buildup that impedes heat transfer and efficiency in HVAC systems
- ☐ **Ice machine cleaning:** Eliminates scale buildup in water lines and cooling systems
- ☐ **Dishwasher descaling:** Removes limescale from heating elements and water lines in cafeteria and food service areas
- ☐ **Bathroom fixture restoration:** Effectively removes stubborn calcium deposits and water stains from sinks, toilets, and shower areas
- ☐ **Plumbing system maintenance:** Clears mineral buildup in pipes and drains throughout the facility
- ☐ **Humidifier system cleaning:** Removes scale deposits that can harbor bacteria and reduce efficiency
- ☐ **Water fountain and drinking water system maintenance:** Safely descales without risk of harmful residues

CLR PRO MAX® INDUSTRIAL DESCALER
Helps quickly restore equipment to peak condition

Available in 1, 5, 55, and 275 Gallons
