35 QT MOP BUCKET & SIDE PRESS WRINGER

The Performance Plus 35 qt. mop bucket & wringer combo is designed to make mopping spills easier. Compatible with all mops ranging from 12 oz to 32 oz, this mop bucket can be used in all commercial settings from kitchens to school hallways.

- Minimize wrist strain with an ergonomically shaped, heavy-duty tubular steel wringer handle
- Maximize long-lasting durability through thick, heavy-duty all-metal steel components
- Reduce bending during disposal using a molded lift-assist handle paired with reinforced bucket walls
- Protect floors from scuff marks while gliding smoothly on four non-marking casters
