

a clean sweep combo

LOBBY BROOM & DUST PAN W/ HANDLE

The Performance Plus Lobby Dust Pan and heavy-duty Lobby Broom form a seamless cleanup system for high-traffic commercial spaces. The 30-inch wooden-handled broom sweeps lobby debris directly into the hands-free, wheel-protected dust pan for fast, scratch-free cleanup.

- Relieve wrist strain using an ergonomic tubular steel handle
- Maximize durability with heavy-duty, all-metal steel construction
- Eliminate bending during disposal with a lift-assist handle and reinforced walls
- Protect floors and glide smoothly on non-marking casters
