

PLATES & BOWLS

EMPRESS™

Make service easy, cleanup even easier.

Engineered for reliable mealtime performance, this complete line of commercially compostable paper plates and bowls offers convenient, easy-clean options for any dining setting. By utilizing varied paper thicknesses and rim structures, this collection ranges from lightweight value options to ultra-sturdy dinnerware capable of supporting hearty, heavy meals without bending or folding.

features:

- Variety of sizes and weights for versatility of use.
- Coated for added strength and moisture resistance.
- BPI Certified to be Commercially Compostable
  (check with your municipality for available facilities)
