

ourfresh 2.0 delivers **2X MORE** fragrance than metered air systems

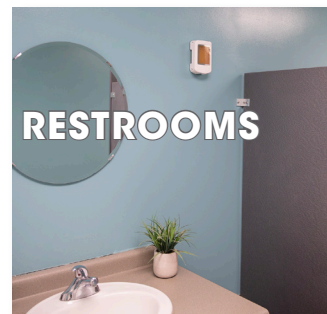

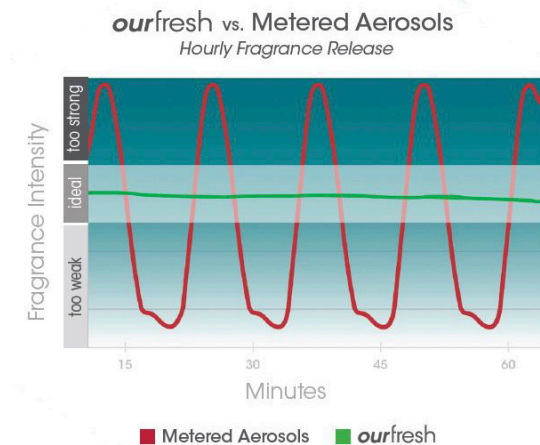

- **Dry Fragrance:** no sticky residue
- **Upscale:** high-end fragrances & design
- **Smart Chip:** EZ maintenance
- **Better Experience:** mal-odor removal
- **Greener:** no acetone; 100% recyclable

ourfresh 2.0

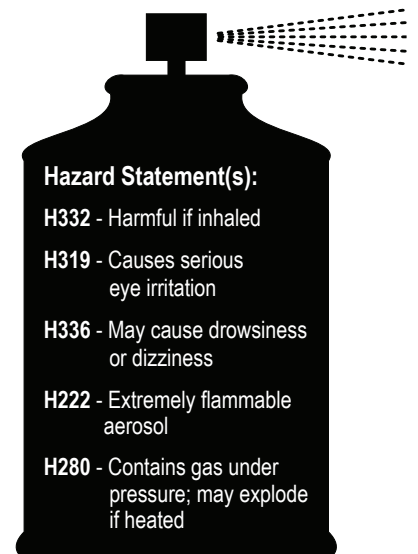

- Light activated
- Covers 100-250 sq. ft.
- Consistent 30-day fragrance
- Every refill includes a new battery

Metered air provides “just right” fragrance **only 20%** of the time
