

Retail

Did you know?

64% of respondents are somewhat or extremely worried about hygiene when entering a restroom in retail stores.*

73% of respondents prefer a paper towel to dry their hands in public restrooms (versus 23% for air dryers).*

Surface contamination levels are on average **10 times higher** following air dryer use than paper towel use.**

53% of all hand drying opportunities were disposable towels (versus 38% for air dryers).***

Retail Market Needs

Productivity
> Increase custodial staff and employee efficiency with faster maintenance processes to save time in their daily routines.

Hygiene
> Reduce spread of germs and cross-contamination with no-touch and jam-free solutions to help protect employees and customers from germs.

Cost
> Reduce waste and minimize loss of revenue.

Sustainability
> Reduce environmental footprint and reinforce circular economy by implementing innovative processes and using certified products.

Image
> Offer an appealing and welcoming restroom to guests to enlighten the quality and cleanliness of the establishment.

How we can help

Our Tandem system was designed to **protect your employees and customers from germs.**

Our dispensers are designed to give your workplace an **elegant and modern look** that people will enjoy.

Our **100% recycled and certified papers** help you implement sustainability in your workplace.

Foodservice Preparation Area
