SIDEPRESS WRINGER AND 26 QT BUCKET COMBO

A Hassle-Free Mopping System

FEATURES

- Angled handle provides increased force when wringing mops
- Splash guard keeps water directed into bucket when wringing mops
- Built-in mop handle holders secure mop handles while transporting
- Slots incorporated into bucket for easy storage of putty knives
- Color clips can be snapped to wringer handle for easy color coding*
- Non-marking casters glide quietly across the floor

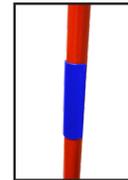

Mopping is a breeze with the sidepress wringer and bucket combo. Built-in holders keep mop handles and putty knives secure during transport. Wringing mops is hassle-free thanks to increased force from the angled handle and a splash guard that diverts water directly into the bucket below.
