PRECAUTIONARY STATEMENTS

DANGER: CAUSES SEVERE SKIN BURNS AND EYE DAMAGE. HARMFUL IF SWALLOWED: Do not breathe vapors. Wash hands thoroughly after handling. Wear protective gloves / eye protection. **IF SWALLOWED:** Rinse mouth. DO NOT induce vomiting unless directed to do so by medical personnel. **IF ON SKIN (or hair):** Take off immediately all contaminated clothing. Rinse skin with water for at least 15 minutes. Wash contaminated clothing before reuse. Seek medical advice immediately. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing for at least 15 minutes. Seek medical advice immediately. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Immediately call a Poison Center or doctor. Store locked up. Dispose of container in accordance with all federal, state and local applicable regulations. Avoid contact with eyes, skin and clothing.

Causes burns or serious damage to mouth, throat and stomach. Keep container tightly closed. Use only in a well-ventilated area.

IMPORTANT: Do not mix with acids or any other household products. May release dangerous gases (chlorine). Avoid contact with: Ammonia compounds. Rust remover. Strong acids. Open carefully and keep hands, face, children and animals away. Do not squeeze bottle, avoid splashing, and clean up spills at once. Never use a plunger during or after use of DRANO® MAX GEL because product may still be present if drain is not clear. Do not reuse empty container. Rinse container and replace cap before discarding.

KEEP OUT OF REACH OF CHILDREN AND ANIMALS.

FOR COMMERCIAL AND INDUSTRIAL USE ONLY. DO NOT USE WITH PLUNGER OR IN TOILET.
