

Arm & Hammer™ Carpet Odor Eliminators

Plus OxiClean™ Dirt Fighters

Uses the power of Arm & Hammer™ Baking Soda to neutralize even the toughest odors deep within carpets. The vacuum booster loosens dirt and helps your vacuum lift 25% more dirt than vacuuming alone. Works on odors from smoke, mold, mildew and food spills.

Odor Eliminator

Eliminate even the toughest carpet odors with scents inspired by nature. Made with odor neutralizing Arm & Hammer Baking Soda; it's a low cost way to keep your facility smelling fresh all year round. For stubborn odors, sprinkle liberally on carpet, wait 30 minutes and vacuum. Outstanding for upholstered furniture, automobile carpeting, garbage cans and garbage disposals.

Allergen Reducer & Odor Eliminator

Specially designed, with regular use, to help remove allergens* and eliminate odors at the source - carpeting.

It Works in Two Ways:

- The Allergen Reducer goes deep down into the carpeting to remove allergens* at the source by breaking the static charge that bonds them to the carpet fibers. Once the bond is broken the allergens are easily removed when you vacuum as directed.
- The Arm & Hammer Baking Soda goes deep into the carpet to absorb and neutralize odors on contact, leaving your carpet and room smelling fresh and clean.

*Dog, cat and dust mite allergens; not a pesticide
