To Stay Healthy

Hand Hygiene Program for Grades K-12

KUTOL
Hand Care Specialists

Smart Hand Care for Schools

Ensuring the health and safety of students and staff, Kutol provides comprehensive, high quality hand care solutions tailored to K-12 educational settings.

Our durable wall mount dispensers are compatible with soap or hand sanitizer, including specialized formulas designed to meet the unique needs of elementary, middle and high schools.

Focused on long-lasting, reliable performance, our systems are built to support hygiene standards in schools of all sizes.

Designer Series Dispensers

SS001BK31 SS001GR32 SS001WH32 SS001BK34 SS001WH33

Manual dispensers mounted to walls or mirrors are the best option for schools because of their durability. Ideal for restrooms, locker and shower rooms and other high-traffic areas.

- Made of heavy duty plastic with no metal parts
- Top dispensing eliminates messy leaks and drips
- Keyed locking option
- Standard .75 mL output; low .4 mL output available for smaller hands

DM016BK31 DM016WH33 DM016GR32 DM016WH32 DM016BK34

In areas where an elevated look is desired (admin offices, staff restrooms, lounges), **No Touch M-Fit dispensers** are a viable option.

- Powerful motor provides fast, quiet dispensing and superior foaming
- Motion sensor and anti-glare protection prevents random dispensing
- Four C batteries included
- No Touch M-Fit dispensers use same refills as manual dispensers

"One of the most important steps to keep school staff and students healthy is cleaning hands at key times."

- Centers for Disease Control & Prevention

Wash away germs and boost school spirit with custom dispensers!

DECO dispensers are customized with a school logo or mascot printed in full color on the dispenser's front cover. A subtle way to spread school spirit and boost morale!

- Low 24 order minimum
- Graphics are digitally printed: not a decal or sticker
- Easy, fast, professional process

Custom dispensers discourage vandalism, increasing a dispenser's time on the wall by two or more years.

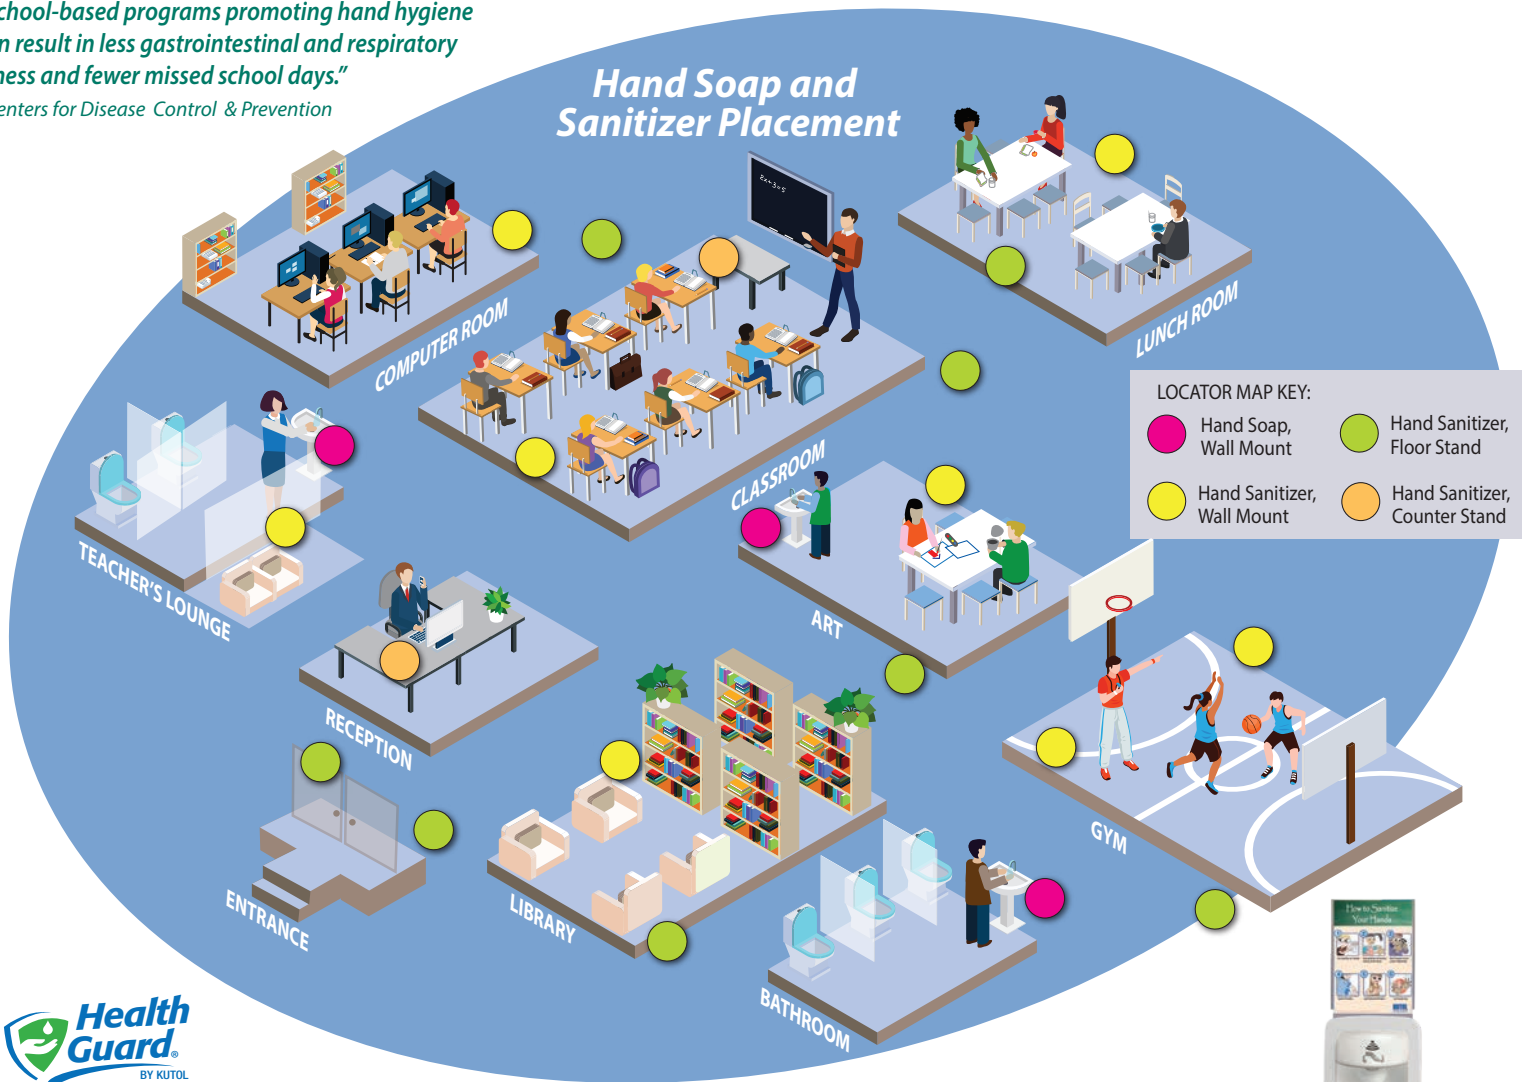

Scan here to see your mascot on a dispenser!

"School-based programs promoting hand hygiene can result in less gastrointestinal and respiratory illness and fewer missed school days."

- Centers for Disease Control & Prevention

Hand Soap and Sanitizer Placement

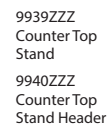

First line of defense

Effectively clean hands and reduce the spread of germs with Health Guard® soaps and sanitizers. Specialty formulas for schools include:

- **Foaming Dye & Fragrance Free Hand Soap:** For allergy-sensitive settings including classrooms and cafeterias. Green Seal® and ECOLOGO® certified for health, safety and performance.
- **Foaming No Alcohol Sanitizer:** Eliminates 99.99% of common germs within 15 seconds of use. Non-flammable with no added dye.

Portable dispensing options

Make it even easier to practice healthy hand hygiene by placing products in areas where groups gather. Ideal for entrances, lobbies, gyms and cafeterias or placed on desks and sinks.

Encourage good hand hygiene practices among students and staff with reminders, encouragement and by making handwashing fun!

5" x 7" clings to place on walls or mirrors
