

January 2023

Dear Valued Customer,

In consideration of the continued supply disruptions being experienced across many industries, we continue to review our full line offering and bring forth revisions that will create a harmonized portfolio of products to best suit our customer's needs.

Below are several changes we will be making to our Soap, Sanitizer, Creams & Surface product lines, to help align with our goals of achieving continuous customer satisfaction while reducing complexities in the supply chain.

The following SKUs are impacted as indicated:
