RJ Schinner PROFESSIONAL SKIN CARE

High quality skin care products and support tools designed to simplify your skin care.

The SC Johnson Professional skin care range offers the highest quality products covering the entire spectrum of skin care needs. The SCJP range delivers on improved health and safety, reduced environmental impact, and measurable economic value.

Our product offering includes creams designed to protect against harmful contaminants, general use foaming hand soap, heavy duty industrial cleansers, healthcare quality hand sanitizers, as well as skin restoring gels and lotions.

The SC Johnson Professional range of products are designed to work in tandem with each other providing comprehensive skin care solutions for the industry.

Real Benefits

IMPROVING HEALTH & SAFETY

- Helps prevent the spread of germs
- Reduces the risk of occupational dermatitis
- Increases compliance - people doing the right thing

ENHANCING ENVIRONMENTAL STANDING

- Recyclable cartridges and biodegradable formulations
- SC Johnson Professional formulations are EcoLogo™ and USDA BioPreferred™ certified

REDUCES TOTAL COST

- Lowers costs associated with illness and absence
- Eliminates waste through controlled product dosage
- The right product throughout your facilities

Professional Support

For any organization, implementing skin care practices that are followed and universally understood is an ongoing challenge.

To help with this process, we have created a unique education and audit support program available to all customers of the SC Johnson Professional range.
