Raid® Wasp & Hornet 33

KILLS ON CONTACT. KILLS THE ENTIRE NEST

Directions for Use:

Read and follow all directions and precautions on this product label.

For outdoor use only.

- Spray in early morning or early evening when insect activity is minimal.
- Stand a safe distance from the nest and not directly underneath.
- Hold the can as upright as possible.
- Point spray opening toward the nest with the wind at your back.
- Spray until nest is thoroughly saturated to kill the entire nest population.
- Exit area immediately and remain outside the treated area until all sprays have dried.
- Wait at least 24 hours before removing the nest.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Storage and Disposal:

Storage: Store in a cool dry place away from heat or flame in an area inaccessible to children.

Disposal: If empty: Place in trash or recycle if available. If partially filled: Call your local solid waste agency or call 1-800-529-3394 for disposal instructions. Never place unused product down any drain.

Safety Information

Hazards to humans - Warning:

- Exit area immediately and remain outside the treated area until all sprays have dried.
- Wash thoroughly with soap and water after handling.
- If on skin or clothing: Take off contaminated clothing. Rinse skin immediately for 15-20 minutes.
- If swallowed: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
- Environmental Hazards: This product is extremely toxic to fish and aquatic invertebrates. Do not apply directly to or near water.
