DID YOU KNOW

OxiClean™ is a Versatile Stain Remover in a powder form that is activated when added to water. Oxygen is released and targets the stains, rather than the fabric, removing many tough stains on water-washable clothing, carpet, upholstery, and hard surfaces both inside and outside facilities.

Discover the unparalleled cleaning capabilities of OxiClean™ in your commercial spaces!

How OxiClean™ Versatile Stain Remover Removes Stains:

Unique **bubbling oxygen bleach** helps to break down protein bonds and decolorizes grass stains

Powerful pH-boosting **sodium carbonate** softens and separates layers of clay and soil

A special **surfactant** helps emulsify and wash away oily organic compounds

Anti-redisposition agents prevent stain particles from settling anywhere else
