

Clorox Commercial Solutions®

Clorox® Clean-Up® Disinfectant Cleaner with Bleach†

Powerful Cleaning and Disinfecting

At Clorox, we understand your world

It's full of people counting on you to make their lives better. Lives and livelihoods depend on the decisions you make about disinfection.

Powerful tools

Clorox® Clean-Up® Disinfectant Cleaner is part of the Clorox Commercial Solutions® brand that thousands of healthcare professionals trust for high-quality, hospital-grade disinfectants that kill a broad spectrum of microorganisms when used as directed.

Cleans, disinfects, removes stains

Available in spray and dilutable form. Clorox® Clean-Up® Disinfectant Cleaner* is specially formulated for tough dirt, grime and soap scum. Use with confidence to clean and disinfect floors, cabinets, toilets, lockers, doors, benches, trash areas, walls and windowsills.†

- ▶ 1.84% sodium hypochlorite (18,400 ppm).
- ▶ Eliminates tough stains and grease.
- ▶ Kills mold and mildew.
- ▶ Corrosion inhibitor helps protect steel surfaces.

† 1/2 cup per 1 gallon of water

Powerful cleaning and disinfecting together

Clorox® Clean-Up® Disinfectant Cleaner combines cleaning, disinfecting and stain removal in one product. Our product is available in ready-to-use spray and a larger dilutable bottle. The spray form assures proper dilution strength, product effectiveness and standardized technique. Both spray and dilutable forms meet OSHA Bloodborne Pathogens standard.

Removes tough stains and grease

Clorox® Clean-Up® Disinfectant Cleaner is specially formulated to clean dirty floors and greasy countertops. This product easily removes tough bathroom and workplace dirt, grime and soap scum.

Registered by the EPA and in all 50 states

Clorox® Clean-Up® Disinfectant Cleaner complies with EPA standards for product efficacy, usage safety, shelf life, label strength, processing and raw materials. Add confidence to your disinfecting regimen by ensuring your cleaning and disinfecting products adhere to these rigorous standards.

Contains the power of Clorox® Bleach

Clorox® Clean-Up® Disinfectant Cleaner contains 1.84% sodium hypochlorite, which exceeds the amount (5,000 ppm) recommended by the Centers for Disease Control and Prevention (CDC) to kill many of the pathogens of most concern to hospitals.

Includes odor-masking agent

Clorox® Clean-Up® Disinfectant Cleaner is specially formulated to provide fast, powerful cleaning and disinfecting while creating only a slight bleach scent to accommodate the most sensitive environments and users.

Includes corrosion inhibitor, suitable for use on many nonporous surfaces

Clorox® Clean-Up® Disinfectant Cleaner contains an anticorrosion agent that when used as directed, is suitable for use on a variety of hard, nonporous surfaces, including stainless steel. Use this product to clean and disinfect floors, cabinets, toilets, lockers, trash areas, benches, doors, walls and windowsills.
