

# myfresh 2.0

For women's restroom stalls

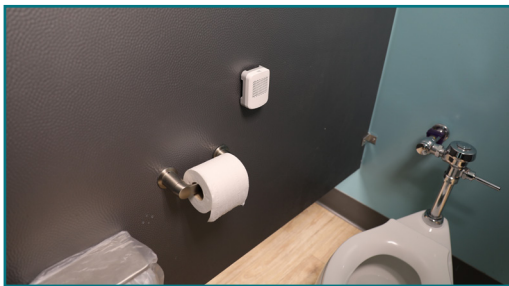

## THE air freshener for women

Designed specifically for one-toilet restrooms and individual restroom stalls, **myfresh 2.0** puts fragrance where you need it for 30 days.

## Tech Specs

|                                |   |
|--------------------------------|---|
| <b>Motion-activated</b>        | More hygienic - no need to touch the community aerosol can          |
| <b>Easy Open</b>               | Push button for quick and easy replacement                          |
| <b>Two Frequency Settings</b>  | "Hi" and "Lo" settings allow adjustment of fan activation frequency |
| <b>Eco-Friendly</b>            | Refills are 100% recyclable   |
| <b>One AA Battery Required</b> | Each refill lasts 30 days and comes with a new battery              |
| <b>Flashing Light</b>          | Red: Replace refill & battery    Green: Fan is running              |

## For Restroom Stalls:

Near the toilet paper dispenser or menstrual product disposal bin. Best results when placed within 3 feet of the users upper body.
