Dear Valued Customer:

We are pleased to announce that Hoffmaster Group, Inc. has acquired Paterson Paper. Please see our attached press release for more information.

With this change, our goal is to continue to grow and expand our service and capabilities for our combined customer base. Hoffmaster and Paterson have complementary product lines and this change allows us to round out and strengthen our portfolios. In addition, Paterson's location in Sparks, Nevada, complements Hoffmaster's manufacturing sites, allowing for broader national footprint coverage.

As we evaluate all the opportunities and make any changes, we will continue to communicate with you. In the meantime, there is no change in key contacts for each business.

Thank you for your continued business and support. We are excited to bring together two leading and premium brands to the foodservice disposables category.

Sincerely,

Jim Johnson
Vice President of Sales, Foodservice
