HOSPECO is an industry leading manufacturer and supplier of disposable wipers and towels, disposable gloves, SPHERGO (proprietary microfiber flat surface cleaning system) and washroom specialty items. This line creates a one-of-a-kind bundle available direct-from-the-source that is customizable to a variety of market channels - foodservice, jan-san, office, industrial/safety, etc.

Our company's heritage dates back more than 90 years. HOSPECO's tenured experience serves as the foundation for which we continue to build excellence in global sourcing, product development and more efficient converting and manufacturing – ultimately providing our customers with lower costs and improved service without compromise to quality.

In the pages of this catalog, we have positioned our product offering to better service and support the needs of the foodservice channel inclusive of QSR's, casual dining, schools/cafeterias, c-stores and grocery as well as the foodservice channel distributors who service them. HOSPECO has serviced the foodservice channel in North America for more than 20 years and continues to invest in foodservice related R&D. We are NSF approved.

What sets HOSPECO apart? Our industry knowledge, our tenured experience, our passion for this marketplace and our desire and ability to customize our products and services to meet each of our customer's unique needs.

All items within our 8 different product categories can be bundled in one order for shipping from Knoxville, TN or Reno, NV. Not only can you purchase industry-leading products from each category at competitive prices and with our full sales and marketing support you can streamline your supply chain, minimize your inventory, and increase your ROI.

We thank you for the opportunity to share HOSPECO and are appreciative of the prospect to be of service to you.

FOODSERVICE TOWELS

AIR CARE

AirWorks® SPLASH FREE™ Urinal Screen

- New Micro-Tube patented technology releases a fresh burst of fragrance with use
- Avoids offensive splashing inside and around the urinal
- Both the facility and the patron remain clean and dry
- Unique draining system in every micro-tube, leaves the screen residue free
- Material formula contains enzymes to prevent unpleasant odors
- Stays fresh for up to 30 days with continuous odor control
- Screen prevents the passage of debris into drains, helping to prevent costly plumbing repairs
- VOC compliant in all 50 states
- Flexible EVA material with raised feet on bottom, for use in both dry and standing water urinals

Airworks® Premier Urinal Screen w/ SmartBlock™

- Combining new SoftSpike™ technology that diffuses liquid to eliminate splash and SmartBlock™ enzyme block technology that cleans and reduces odors in the restroom
- Cleans and deodorizes for up to 60 days
- Flexible EVA material fits all urinals and can be used in both dry or standing water urinals
- Easy to replace - when enzyme block has dissolved completely it is time to replace the urinal screen
- Packaged with gloves for safe sanitary removal and replacement
- Enzyme block is non-toxic and biodegradable
- Can be used in any state
- Ideal for high traffic washrooms
