

EASYTASK® REFILLABLE CLEANING SYSTEM

Finding a pre-moistened wipe with your preferred cleaning solution can be difficult, so why not make your own! Add any cleaning or disinfectant solution to one of our wiper options for a durable wet wipe. Clean and disinfect hard non-porous surfaces in one step!

SPUNLACE WIPERS

Key Features

- Eliminates cross contamination on surfaces – use a new wipe each time
- System reduces vapors and fumes caused from cleaning/disinfecting solutions
- GrabBox® contains one perforated centerfeed roll in a resealable bag within the portable heavy-duty cardboard box
- Resealable bag keeps wipes moist
- One extra resealable bag included in each case for your convenience and added protection
- Holds 1/2 gallon (2 quarts) of liquid
- Durable and low lint
- Excellent tear strength
- Solvent resistant
- Available in 2 spunlace wiper finishes:
 - Smooth - For pre-moistened applications
 - Creped - For pre-moistened and dry applications
- Roll size: 6.375" diameter x 10" high
- **Roll not compatible with EasyTask® Bucket**

Applications

Hard non-porous surface cleaning in schools, offices, healthcare, restaurants, vehicles, retail, recreation, hospitality, public transportation and any other public areas.

Industries

Healthcare, manufacturing, agriculture, law enforcement, municipalities, food service, government, hospitality and education.

Note: Please follow the recommended guidelines and kill claims on any chemicals used to make the pre-moistened wipe.

DELUXE ANTIMICROBIAL WIPERS

Designed for a variety of food service, food preparation and other general purpose wiping applications where wet strength, cleaning, durability and sanitizer compatibility are essential. Antimicrobial treatment inhibits the growth of odor-causing bacteria in the towel.

Key Features

- Wipers are 1/4 folded for easy access
- Eliminates cross contamination on surfaces – use a new wipe each time
- System reduces vapors and fumes caused from cleaning/disinfecting solutions
- GrabBox® contains antimicrobial wipers in a resealable bag within the portable heavy-duty cardboard box
- Resealable bag keeps wipes moist
- One extra resealable bag included in each case for your convenience and added protection
- Holds 1/2 gallon (2 quarts) of liquid
- Rinses easily and will not stain like a cloth towel
- Great for cleaning and sanitizing tables, countertops and washing dishes
- Up to 70% less cost in use compared to cotton and pre-sat towels
- 150% greater quat release to surface than cotton towels
- More sanitary than bar mops and linen towels
- Lower cost in use vs. terry/linen rental towels
- To prevent possible contamination, wet wipes should not be returned to the resealable bag once they have been removed

Applications

Hard non-porous surface cleaning in schools, offices, healthcare, restaurants, vehicles, retail, recreation, hospitality, public transportation and any other public areas.

Industries

Healthcare, manufacturing, agriculture, law enforcement, municipalities, food service, government, hospitality and education.
