

THE COMPLETE NO-TOUCH RESTROOM

For years, facility managers and patrons have dreamed of a public restroom that's totally hands-free. HOSPECO® is proud to announce that the no-touch restroom is complete! Our personal care assortment now includes a stall-mounted, no-touch menstrual product disposal receptacle, menstrual care product dispensers, as well as touch-free toilet seat cover dispenser. Taken together, they represent a giant leap forward in the health, safety, and experience of patrons.

No more touching menstrual care disposal receptacles!

No more touching menstrual care dispensers!

No more touching toilet seat cover dispensers!

EVOGEN® NO-TOUCH COMBINATION WASTE RECEPTACLE

- The ultimate in easy, safe, and sanitary disposal responds to public demand for a better menstrual product disposal method.
- Waste receptacle automatically opens by holding hand over lid. Automatically closes after product is deposited.
- Personal disposal bags are available from the built-in dispenser. Safe, sanitary and pleasant for patrons and maintenance staff alike.
- Sized to fit in virtually any restroom or stall.

EVOGEN® NO-TOUCH MENSTRUAL CARE DISPENSERS

- Takes public restroom hygiene and convenience to the next level by vending tampons and pads to guests, free of charge, with the wave of a hand.
- Available in 2 sizes. The large capacity EVNT3 Series is ideal for high-traffic restrooms like those found in airports, schools, arenas and more. The EVNT4 Series offers compact units designed for smaller, low-traffic restrooms found in restaurants, bars and coffee shops.
- Pre-programmed with a five-second delay between uses to discourage misuse and reduce waste.

EVOGEN® NO-TOUCH TOILET SEAT COVER SYSTEM

- Patent-pending, the first and only hands-free toilet seat cover system.
- Ninety percent of people wouldn't use a public toilet without making sure that the seat is clean and free from possible disease-transferring germs.
- Single-dispense, ready-to-use toilet seat covers eliminate the waste of improvised solutions using toilet paper or towels.

The Evogen® EVNT3 and EVNT4 Series dispensers provide hands-free ultra hygienic menstrual care product dispensing.

Evogen® No-Touch Dual Menstrual Care Dispensers

- Available in large capacity (EVNT3) and compact (EVNT4) sizes
- Modern, streamlined ADA-compliant design with easy loading and re-stocking
- Dispense both Maxithins® or Gards® sanitary napkins and Tampax® tampons
- Empty and low battery indicator lights for easy maintenance
- Dispenser requires (4) AA batteries (not included)

Factory programmed 5 second time delay between dispenses to discourage malicious use.

No-touch disposal of menstrual care products PLUS personal disposal bag dispensing. Let's face it – No one wants to touch the menstrual care disposal bin. Now you don't have to!

Evogen® No-Touch Combination Waste Receptacle

- Easy and sanitary for both staff and patrons – no need to touch the receptacle lid or receptacle contents
- To change liner bag, simply hold hand over lid sensor. After lid rises, hold hand over sensor again to keep lid open for an extended 60-seconds. Remove filled liner bag by the strap and replace it with a fresh one.
- Battery compartment, located in bottom of receptacle, is concealed and out of view – unit requires 4 (AA) batteries (not included)
- Receptacle slides onto a separate mounting bracket, allowing for easy removal to thoroughly clean/disinfect and for battery replacement
