

**KLEENGUARD™**

**A40 Reflex® Coveralls**

# PROTECTION AGAINST HAZARDOUS PARTICLES AND LIQUIDS

When workers are in contact with fine particles or liquids under pressure, look no further than KleenGuard™ A40 Reflex® Coverall. These coveralls are made of a microporous film and laminate fabric which provides a better liquid barrier than the leading competitor. In fact, the new A40 Reflex® Coverall is 37% stronger with a 3x better liquid barrier than the leading competitor. All KleenGuard™ Protective Clothing is designed with human-centric engineering that enables rather than inhibits – allowing for maximum productivity and safety.

**KleenGuard™ Protective Clothing – Perform with Distinction.**

# A40 REFLEX®

## RightCycle

By Kimberly-Clark Professional®

The RightCycle™ Program is a groundbreaking service that enables you to collect previously hard-to-recycle items, such as Kimberly-Clark Professional nitrile gloves, safety glasses and single-use apparel items, and have them turned into new consumer goods.

Learn more by visiting  
[www.KCProfessional.com/RightCycle](http://www.KCProfessional.com/RightCycle).

Apparel items, eyewear and nitrile gloves are worn in your facility.

Used products are collected and shipped to our recycling centers.

Used products are sorted and processed into plastic pellets.

Materials are molded into new plastic products and durable goods.
