KLEENGUARD™ NEMESIS™ EYE PROTECTION

One Brand with an Impact of
Over 100 Million Pairs Sold.

Created over 15 years ago, KleenGuard™ Nemesis™ safety eyewear was a leader in its design. Nemesis™ pushed the limit with its base curve for its signature wrap-around protection, sharp bend and flexible nose piece. It was the solution when it was launched that was optically clear and comfortable. As a timeless classic, Nemesis™ leads on its own and can't be substituted.

A TRUE ORIGINAL,
With its deep history, wide impact across industries and expansive portfolio to meet individual needs, it's no wonder that Nemesis™ continues to be a trusted and respected eyewear brand in North America and the most popular line in the KleenGuard™ safety eyewear portfolio.

UNMATCHED COMFORT, STYLE AND DURABILITY

This iconic brand features:

- ▶ A design that is flexible enough to create individual fit
- ▶ Maximum comfort for all-day wear through wrap-around design
- ▶ Panoramic lenses for peripheral vision — a day-to-day safety solution even in the harshest environments
- ▶ Neck cord to keep eyewear where it is most accessible, helping to increase protection and compliance

By Kimberly-Clark Professional®

To help companies meet sustainability goals, we offer a way to divert safety eyewear from your waste stream. Recycle your used Nemesis™ Eye Protection through The RightCycle™ Program so it can be transformed into new consumer goods such as flowerpots and lawn furniture. Nemesis™ is a classic, yet sustainable brand.

STYLE MATTERS

One way to improve compliance with safety eye protection protocols is to select safety eyewear with style features found in fashion eyewear. PPE that allows workers to express their individuality can help drive compliance.*

The following information is provided to assist with your buying decisions. Read all instructions and warnings attached to product before use.

It is the responsibility of the user to assess the types of hazards and the risks associated with exposure and then decide on the appropriate personal protective equipment needed for each circumstance. Failure to use only KleenGuard™ designed, produced and tested components, attachments and replacement parts can adversely affect product performance resulting in serious injury.

KLEENGUARD™ EYE PROTECTION
Provides limited eye protection. Additional protective devices are required for full eye coverage and protection.

Does not protect you from all hazards. Even though the lenses in these safety glasses are impact-resistant, they can break and shatter and will not protect you from explosions, all flying debris and severe impacts.

Should not be worn to provide protection from other hazards including, but not limited to, extreme temperatures, high heat, airborne dusts or mists, liquid splashes, sports activities and high-energy optical radiation.

† The maximum amount that Kimberly-Clark Professional will pay out under this program is \$1,000 per customer facility. Void where prohibited, taxed or restricted by law. Not responsible for lost, late, misdirected, incomplete or undeliverable submissions. Kimberly-Clark Professional reserves the right to modify or cancel this program at any time. Guarantee applies to switching competitive economy eye protection to KleenGuard™ Maverick™, Nemesis™, Nemesis™ CSA, or Nemesis™ VL eye protection. (Economy safety eyewear is defined as eye protection with uncoated lenses; current product must not be a Kimberly-Clark Professional product.)
