SOAP CONTRACT MANUFACTURING AND PRIVATE BRANDING

QUALITY, EXPERIENCE AND FLEXIBILITY

For over 100 years, Kutol has been a leading manufacturer of hand soaps, hand sanitizers, specialty skin care products and dispensing systems, offering a wide variety of solutions to OEM and private label customers.

▶ SPEED TO MARKET

At Kutol, we understand how important it is to get your products to the market quickly. We provide a competitive advantage with our full-service, in-house product development and manufacturing capabilities. Our flexible approach allows you to private brand your products any way desired:

- Your formulas in your package or dispensing system
- Your formulas in our package or dispensing system
- Our formulas in your package or dispensing system
- Our formulas in our package or dispensing system

▶ MANUFACTURING EXCELLENCE

All of our products are produced in our 190,000 square foot LEED® Silver certified facility. We specialize in manufacturing and packaging of Cosmetic and OTC Drug products for Hand and Skin Care, including foams, liquids, gels, lotions and creams. Our manufacturing capabilities include:

- Ability to process batches ranging from 300 to 4,000 gallons.
- Packaging configurations from 2 ounces to full tankers.
- Labeling and Silk Screen Printing.
- Tube filling capability.

▶ QUALITY AND COMPLIANCE

At Kutol, everyone plays a role in quality and regulatory compliance. Our FDA registered facility follows cGMP procedures according to FDA and other regulatory agency guidelines and regulations. New product formulations and packaging are only approved after passing standard quality trials and testing. Computer aided manufacturing and monitoring ensures that we meet all quality standards that are set.
