

KUTOL

SOAPS, SANITIZERS AND DISPENSERS

For all your commercial skin care needs

For more than 100 years, Kutol has manufactured skin care products that clean hands, reduce the spread of germs and promote skin health. A full portfolio of general purpose and industrial hand care products is available including high quality soaps, sanitizers and dispensing systems.

“Hand hygiene is an easy, affordable and effective way to prevent the spread of germs and keep employees healthy. Promoting clean hands within your workforce can improve the health of your employees, customers, workplace and even your community.”

– Centers for Disease Control and Prevention

Benefits of Choosing Kutol

- Focus solely on commercial skin care vs. retail
- Manufacturing facility is FDA-registered, LEED® Silver Certified
- Products are made in the USA
- Upfront and long-term savings through dispenser efficiencies and product performance
- Private branding/contract manufacturing expertise
- Fourth generation family owned

HAND SOAPS

Effective handwashing is made easy with a variety of Health Guard® formulas to choose from including luxury foam, antibacterial and dye/fragrance free. Earth-friendly Green Seal® Certified and Ecologo® formulas are available. Ideal for general purpose use including office buildings, restrooms, schools and restaurants.

- ▶ Foaming Luxury Hand Soap
- ▶ Foaming Luxury Dye & Fragrance Free Hand Soap
- ▶ Foaming Advanced Antibacterial Hand Soap

SANITIZERS

Health Guard hand sanitizers help fight germs and stop the spread of illness. Available in alcohol and non-alcohol formulas, all sanitizers are:

- Fast acting: kill up to 99.99% of most common germs in 15 seconds
 - Moisturizing with added aloe and vitamin E
 - NSF E3 rated
- ▶ Foaming 62% Alcohol Hand Sanitizer
 - ▶ Foaming 70% Alcohol Hand Sanitizer
 - ▶ 70% Alcohol Hand Sanitizer Gel
 - ▶ Foaming No Alcohol Hand Sanitizer

Wall Mount Dispensers

No Touch and Manual

Kutol's Designer Series soap and sanitizer dispensers offer the ultimate in style, innovation and durability. The top dispensing technology saves on cost and inventory by eliminating leaks.

- ▶ Top dispensing technology – eliminates leaks
- ▶ Large product view window
- ▶ Keyed locking option
- ▶ Sealed, sanitary Health Guard soap or sanitizer refills

DESIGNER SERIES NO TOUCH DISPENSERS

Designer Series No Touch Dispensers minimize the spread of germs for healthier environments. The powerful motor makes for quick, accurate dispensing and hand cleaning. Ideal for placement in upscale restrooms, offices, medical facilities and restaurants.

- ▶ Sleep mode after 30 minutes of non-use extends battery life
- ▶ Four C batteries (included) provide more than 30,000 dispenses
- ▶ Motion sensor and anti-glare protection prevents random dispensing

DESIGNER SERIES MANUAL DISPENSERS

Style and performance meets durability with **Designer Series Manual Dispensers**. This is the ideal push pad dispensing system for public restrooms, shower rooms and high-traffic areas.

- ▶ No metal parts – for use in wet or dry conditions
- ▶ Economical .75 mL of product dispensed per push

CUSTOM BRANDED DECO DISPENSERS

No Touch

Manual

- ▶ Full-color logo placed on front panel of the dispenser
- ▶ Low minimum order of 24 dispensers
- ▶ Highly visible branding
- ▶ No Touch and Manual in black, gray or white

Additional dispensing systems are available at kutol.com/dispensers.
