

Trust Health Guard® for Clean Hands and Healthier Schools

Education Hand Hygiene Program

Keeping Staff And Students Healthy

Nowhere is good hand hygiene more important to children than in the schools where they spend so much of their day. Thorough handwashing with soap and water or rubbing hands with sanitizer can cut absenteeism and prevent illness. Health Guard has a complete offering of hand soaps and hand sanitizers in many wall mount and portable dispensing options.

Available in Manual and No Touch options, Designer Series wall mount dispensers are dependable and durable, as well as easy to install, use and refill.

Manual Dispensers

SS001BK31 Black/black SS001GR32 Gray/gray SS001WH32 White/gray SS001BK34* Black/chrome SS001WH33 White/white

- Top dispensing allows easy viewing, eliminating wasteful pushes
- Upper valve placement means no leaking valves
- Outputs .75 mL, also available in lower .4 mL output
- Keyed locking option (included)
- Made from durable plastic
- Large view window with easy-to-slide, customizable window card

Specialty color dispenser encourages handwashing for the youngest students

SL001KIDS Multi-color

A multi-color kids dispenser, paired with rich foam products, makes handwashing fun so kids wash hands more often. **Dispenses 0.4 mL per push for smaller hands.**

Includes kid-friendly window cards

Hand sanitizer branded dispensers can help separate sanitizer from soap

SS001BK31HS Black/black Manual SS001WH33HS White/white Manual DM016WH33HS White/white No Touch

"One of the most important steps to keep school staff and students healthy is cleaning hands at key times."

- Centers for Disease Control & Prevention

Color logo printing! Wash away germs and boost school spirit

Your logo is printed in full color on black, gray or white DECO dispensers. Manual or No Touch. Low minimums.

Large area for color logo

No Touch M-Fit Dispensers

DM016BK31 Black/black DM016GR32 Gray/gray DM016WH32 White/gray DM016BK34* Black/chrome DM016WH33 White/white

- Use the same refills as the manual
- Powerful motor for quick dispensing and superior foaming
- Water-drop indicator lights up green when activated, red when batteries are low
- Motion sensor prevents random dispensing
- Sleep mode after 30 minutes of non-use extends battery life — includes four C-size batteries, no tools necessary

* additional charge

"School-based programs promoting hand hygiene can result in less gastrointestinal and respiratory illness and fewer missed school days."
