

PRE-APPROVALS FOR SELLING KUTOL PRODUCTS

All #1 fitment dispensers (Designer Series and DECO) and #1 fitment refills (Health Guard) require pre-approval. This is to prevent “stuffing” dispensers with alternate brands and to protect the legacy Kutol direct distributors who originated the business.

To receive approval to sell #1 fitment dispensers and refills, submit a completed pre-approval form to Mark Aylmore, maylmore@kutol.com or Teri Basham, tbasham@kutol.com.

The pre-approval form can be found on Kutol’s vendor literature page on the RJ Schinner blog.

Kutol products that require pre-approvals:

#1 Fitment Refills

#1 Fitment Designer Series and DECO Dispensers

NOTE: RJ Schinner Performance Plus dispensers and refills do NOT need approval.

Kutol products that do NOT need pre-approvals:

Counter Mount

Clean Shape

DuraView

Gallons

Small bottles
