

Artisan Bread Bags

WITH CENTER WINDOW

Showcase your fresh breads and increase sales through better merchandising.

Build your business through better packaging. Our bags feature a center window panel and a stock print design that will help to attract point of purchase sales within the Bakery. In addition, our bags are made from Natural Kraft paper with micro-perf side gusset vents to keep the bread crusty and your customers coming back!

Artisan Bread Bags WITH CENTER WINDOW

Case studies have shown that visible packaging increases category sales.

McNairn Packaging offers a variety of convenient stock sizes through our local packaging distributor.

Given our diverse range of **Artisan Bread Bags with Center Window**, you will find the right one for your application. Allow us to demonstrate how our products can help increase your profits today.
