

The Right Paper The Right Speed

- High Speed/Rapid Cook ovens continue to gain popularity, with brands such as Magic Chef¹, MerryChef² and TurboChef³.
- Our Baking Papers* are currently being used in restaurants and quick serve locations throughout the country.
- Paper is used to aid in clean-up and reduce cross contamination of foods.
- McNairn Packaging has a variety of stock products for these ovens. Custom products are available to be quoted. Reach out to your McNairn representative today to find out what paper is right for you.
