KITCHENS

DISINFECTS

3 Liter Dispenser Bottle

- Works right out of the box - no cabinets to install or maintain
- Portable, hand-held dilution control
- Mop buckets and spray bottles are filled from the same dispenser
- Dilutions are pre-set
- Recyclable, single-use bottles - no waste or cross-contamination

- Special bottle measures product right in the cap
- No water hookup - just squeeze & pour
- Lightweight, recyclable bottles

1 Quart bottle requires no water hookup

Squeeze to fill chamber and pour into wash water - it's that simple!

1 Quart Squeeze Bottle
