

10" Universal Towels

TRUSTED, MORE HYGIENIC SOLUTION OVER HAND DRYERS

Valay® and Morsoft® deliver high-quality selections of towels and dispensers for any application. We are committed to offering both environmental and budget-friendly options for your business. Choose from our extensive 10-inch towel line below. When paired with our Valay® hands-free towel dispenser, users have an overall more hygienic experience.

Why Choose Towels Over Air Dryers?

A study published in *Applied and Environmental Microbiology* in April 2018 found that hot air dryers spread bathroom bacteria which can cause disease and infection.
