Long selling copy

Optimize cleaning efficiency and meet commercial disinfection needs with Professional Lysol® Disinfectant Deodorizing Cleaner. Give cleaning crews a versatile formula that cleans, disinfects, and deodorizes. This economical, concentrated solution makes up to 64 gallons of cleaning action that crews can use on a wide range of hard, non-porous surfaces when used as directed. To disinfect, dilute 1 oz. of product with 5 oz. of water. This product is bactericidal, virucidal, and germicidal when used as directed. Destroy 99.9% of bacteria in 60 seconds. Remove dirt, grease, and grime, and leave behind a familiar lemon scent.

Shorter version

Optimize cleaning efficiency and meet commercial disinfection needs with Professional Lysol® Disinfectant Deodorizing Cleaner. This economical, concentrated formula makes up to 64 gallons of cleaning action that works on a wide range of hard, non-porous surfaces. To disinfect, dilute 1 oz. of product with 5 oz. of water.
