**THE LARGEST
PRINT AREA**

COMPACT & ADA COMPLIANT

Extends less than 4 inches from the wall as required for all ingress and egress locations, reducing the impact on the environment where it is located.

ANTIMICROBIAL PROTECTION

TouchFREE Ultra™ is Biocote® protected, a silver-based antimicrobial agent that inhibits the growth of a broad spectrum of bacteria and molds. Biocote® will not wear out or rub off over time, making it effective for the lifetime of the dispenser.
