¹ LoCor® dispensers excluding single-roll Jumbo bath tissue dispenser

Efficiency

The high capacity of LoCor® paper towel and tissue products and dispensers dramatically reduces change-outs and outages in high-traffic restrooms. By saving you time, labor costs and maintenance, LoCor® makes your life easier, every single day.

Sustainability

Like every Solaris Paper product, LoCor® paper is made from sustainable, responsibly sourced Rapidly Renewable Fiber (RRF) and is PEFC certified. The smaller cores and higher capacity of LoCor® products also reduce core waste by 50%² and cut packaging waste by 72%³

² As compared to Universal HWRT.

³ Compared to Universal Bath Tissue (80 Roll/500 Sheet Count)

* The RRF (rapidly renewable fiber) logo is a promotional mark of Solaris Paper, Inc. and does not denote any independent or professional environmental certification(s) or certifying organization. Solaris Paper AFH towel and tissue products contain a 20% - 80% virgin rapidly renewable base fiber.

** Solaris Paper towel and tissue products are derived from rapidly renewable resources / fiber and meet the requirements of the U.S. Green Building Council (USGBC) LEED standards per compliance pathways defined in EQc7 (Environmental Quality, credit 7) of LEED EBOM (v4) and IEQc3.3 (Indoor Environmental Quality, credit 3.3) of LEED EBOM (v3). The USGBC logo is a registered trademark of the United States Green Building Council.

*** Program for Endorsement of Forest Certification (PEFC™) is an international non-governmental organization (NGO) and the world's largest forest certification system. PEFC works by endorsing national forest certification systems, which are developed through multi-stakeholder processes and tailored to local priorities and conditions. The PEFC's Chain of Custody (CoC) certification is one of the most comprehensive and rigorous methods available for tracking wood products from forest to final production. The PEFC label and logo are registered trademarks that identify goods from sustainably managed forests. For more information, please visit <https://www.pefc.org/>

Flexibility

Our innovative LoCor® spindle adapters let you use LoCor® bath tissue with most commercial Bobrick, ASI and Bradley dispensers, as well as with residential-type fixtures. No matter what you need, LoCor® checks every box and fits right in.
