\* The RRF (rapidly renewable fiber) logo is a promotional mark of Solaris Paper, Inc. and does not denote any independent or professional environmental certification(s) or certifying organization. Solaris Paper AFH towel and tissue products contain a 20% - 80% virgin rapidly renewable base fiber.

\*\* Rapidly Renewable Fiber (RRF) meets the requirements of the U.S. Green Building Council's LEED standards. Reference EQc7 of LEED EBOM 2016 (v4) and IEQc3.3 of LEED EBOM 2009 (v3). The USGBC logo is a registered trademark of the United States Green Building Council.

\*\*\* PEFC is a worldwide certification implemented through two linked processes:

**Sustainable Forest Management Certification** – assures that forests are managed in line with challenging environmental, social and economic requirements.

**Chain of Custody Certification** – tracks forest-based products from sustainable sources to the final product. It demonstrates that each step of the supply chain is closely monitored through independent auditing to ensure that unsustainable sources are excluded.
