Cases per Layer	6
Number of Layers	4
Pallet Dimensions (LxWxH)	48.2" X 43.1" X 96.0"
Pallets per Truckload	28
Cases per Truckload	672

** PEFC is a worldwide certification implemented through two linked processes:

Sustainable Forest Management Certification – assures that forests are managed in line with challenging environmental, social and economic requirements.

Chain of Custody Certification – tracks forest-based products from sustainable sources to the final product. It demonstrates that each step of the supply chain is closely monitored through independent auditing to ensure that unsustainable sources are excluded.
